

## §213.7

## 22 CFR Ch. I (4-1-01 Edition)

(c) Before offset is made, the agency will provide the debtor with written notice informing the debtor of:

(1) The nature and amount of the claim;

(2) The intent of the agency to collect by administrative offset, including asking the assistance of other Federal agencies to help in the offset whenever possible, if the debtor has not made payment by the payment due date or has not made an arrangement for payment by the payment due date;

(3) The right of the debtor to inspect and copy the records of the agency related to the claim;

(4) The right of the debtor to a review of the claim within the agency. If the claim is disputed in full or part, the debtor shall respond to the demand in writing by making a request to the billing office for a review of the claim within the agency by the payment due date stated in the notice. The debtor's written response shall state the basis for the dispute. If only part of the claim is disputed, the undisputed portion must be paid by the date stated in the notice to avoid late payment, penalty and administrative charges. If A.I.D. either sustains or amends its determination, it shall notify the debtor of its intent to collect the claim, with any adjustments based on the debtor's response by administrative offset unless payment is received within 30 days of the mailing of the notification of its decision following a review of the claim.

(5) The right of the debtor to offer to make a written agreement to repay the amount of the claim.

(6) The notice of offset need not include the requirements of paragraph (c) (3), (4) or (5) of this section if the debtor has been informed of the requirements at an earlier stage in the administrative proceedings, e.g., if they were included in a final contracting officer's decision.

(d) A.I.D. will promptly make requests for offset to other agencies known to be holding funds payable to a debtor and, when appropriate, place the name of the debtor on the "List of Contractors Indebted to the United States." A.I.D. will provide instructions for the transfer of funds.

(e) A.I.D. will promptly process requests for offset from other agencies and transfer funds to the requesting agency upon receipt of the written certification required by §102.3 of the FCCS.
